

Work Process

PROCESS FLOW

We have devised an easy work process, which facilitates you with minimal involvement and effectively saves your time. We provide a FIXED RATE, based on the size of the Drawing Sheet to help you simplify the sales process to your client. These prices are applicable for all sheets except for rare dense sheets, which will be visually evident to your sales team.

- 1 You receive a New Project from your client
- 2 Quote your client in accordance with the Standard Sheet Price. You may avail a quick Quote from Houston Office of Pinnacle with special instructions (if any) in the scope of work
- 3 On receiving order confirmation from your client, forward the order details to Pinnacle with the relevant purchase order number and clearly mentioning the expected delivery date
- 4 Pinnacle will promptly revert back with the order receipt confirmation along with the price and turnaround confirmation
- 5 Pinnacle will send you the complete assignment on or before the scheduled date
- 6 Deliver the files to your client
- 7 Get your client's approval
- 8 Pinnacle will send invoice and you may send payment check to Pinnacle's Houston Office
